Engineering & Construction | Property Development | Infrastructure Concessions

*\*Disclaimer: Due to constant updates on Ariba platform, images may differ*

Gamuda has taken the initiative to adopt SAP Ariba for all tendering events, for greater transparency and accountability.

All vendors are required to submit their responses electronically through SAP Ariba.

There is no subscription fee to get onboard SAP Ariba. There are also no fees to participate in any subsequent sourcing events.

# SUPPLIERS

DT Infrastructure operates a digital procurement system. All sourcing, contracting and management of suppliers (vendors, contractors and consultants) for materials and services will be done using SAP Ariba.
