

*(Abbreviations and definitions, unless where the context requires otherwise, shall be as set out in Section 2 of Part III (Terms and Conditions of the Dividend Reinvestment Plan) governing this Dividend Reinvestment Plan Statement).*

This Dividend Reinvestment Plan Statement contains the Terms and Conditions of the Dividend Reinvestment Plan of Gamuda under which persons appearing in the Record of Depositors of Gamuda, as Shareholders on the Books Closure Date may, in relation to any Dividends, be given a Reinvestment Option as the Board may, at its absolute discretion, make available.

Irrespective of whether an election is made by Shareholders to exercise the Reinvestment Option, a tax voucher will be issued and despatched to all Shareholders. For income tax purposes, Shareholders are regarded as having received a cash distribution equivalent to the amount of the Dividend, notwithstanding that the Shareholders may elect to exercise the Reinvestment Option (in whole or in part). Hence, the election to exercise the Reinvestment Option does not relieve a Shareholder from any income tax obligation (if applicable) and there is no tax advantage to be gained in exercising the Reinvestment Option or otherwise.

## **PART I - SUMMARY OF THE DIVIDEND REINVESTMENT PLAN**

The Dividend Reinvestment Plan provides the Shareholders with an option to elect to reinvest their Dividends into New Shares, in lieu of receiving cash.

In relation to any Dividends, the Board may, at its absolute discretion, determine whether to pay such Dividends in cash or to offer the Shareholders the Reinvestment Option and where applicable, the size of the Electable Portion.

In this respect, the Electable Portion may encompass the whole or only a portion of the Dividend. In the event the Electable Portion is not applicable for the whole Dividend, the Remaining Portion will be paid in cash. On 10 December 2025, the Board declared the first single-tier interim dividend in respect of the financial year ending 31 July 2026 of RM0.05 per Gamuda Share ("**FYE 2026 First Interim Dividend**"). The Board also determined that the Dividend Reinvestment Plan will apply to the FYE 2026 First Interim Dividend and the Electable Portion will be applicable for the whole FYE 2026 First Interim Dividend.

**Shareholders should note that the Company is not obliged to undertake the Dividend Reinvestment Plan for every Dividend declared. The Dividend Reinvestment Plan will only be applied if the Board decides to do so for a particular Dividend (whether in whole or in part), if the Board does not designate a Dividend for reinvestment, all Dividends declared by Gamuda will be paid entirely in cash to the Shareholders of Gamuda in the usual manner through a Dividend Payment Account. The Company will immediately notify Shareholders through an announcement if the Board decides to apply the Reinvestment Option to any specific Dividend (whether in whole or in part).**

Gamuda will issue New Shares to Shareholders who elect to exercise the Reinvestment Option under the Dividend Reinvestment Plan. The Issue Price which will be determined by the Board on the Price-Fixing Date and shall be based on the VWAP of Gamuda Shares for the five (5) Market Days immediately prior to the Price-Fixing Date, with a discount of not more than ten percent (10%). The VWAP shall be adjusted ex-dividend before applying the aforementioned discount in fixing the Issue Price.

Approval from Bursa Securities will be sought for the listing and quotation of the New Shares on the Main Market of Bursa Securities pursuant to each and every Dividend to which the Dividend Reinvestment Plan applies. An announcement of the Books Closure Date in relation to a Dividend to which the Reinvestment Option applies will be made, after the approval of Bursa Securities has been obtained. The Issue Price shall be announced either on or before the announcement of the Books Closure Date in relation to a Dividend to which the Reinvestment Option applies or such other periods as prescribed by the Listing Requirements. On 12 January 2026, the Company had announced that Bursa Securities had, vide its letter dated on even date, approved the listing and quotation of up to 75,000,000 New Shares on the Main Market of Bursa Securities pursuant to the Dividend Reinvestment Plan that applies to the FYE 2026 First Interim Dividend. The Company had also on 21 January 2026 fixed the Issue Price of the New Shares pursuant to the Dividend Reinvestment Plan that applies to the FYE 2026 First Interim Dividend at RM4.15 per New Share and the Books Closure Date on 5 February 2026.

Subsequent to the Books Closure Date, a Notice of Election will be despatched to all Shareholders. An electronic notification on the Dividend Reinvestment Plan will also be sent to all Shareholders who have registered with Vistra Share Registry and IPO (MY) Portal ("**The Portal**") at <https://srmy.vistra.com> on the date of despatch of the Notice of Election.

Participating Shareholders may elect to reinvest into New Shares through submission of:

- (a) the hardcopy DRF contained in the Notice of Election; or
- (b) submission of the e-DRF via The Portal.

Please refer to Sections 4.1 and 4.2 of Part III (*Terms and Conditions of the Dividend Reinvestment Plan*) for further instructions as well as the terms and conditions of the electronic election of the Dividend Reinvestment Plan via The Portal. **Shareholders who are not a Registered Shareholder and wishes to elect to reinvest into New Shares electronically may do so by registering with The Portal at <https://srmy.vistra.com>.**

Instructions will be provided in the Notice of Election or e-NOE in respect of action to be taken by Shareholders should they wish to exercise their Reinvestment Options. The Notice of Election and/or e-NOE will also specify, amongst others, the Expiry Date.

The Dividend Reinvestment Plan will allow Shareholders to have the following options in respect of the Reinvestment Option:

1. to elect to participate in the Reinvestment Option by reinvesting the **entire** Electable Portion into New Shares at the Issue Price and to receive the Remaining Portion, if any, in cash;
2. to elect to participate in the Reinvestment Option by reinvesting **part of** the Electable Portion into New Shares at the Issue Price and to receive the balance of the Electable Portion and Remaining Portion, if any, in cash; or
3. to elect not to participate in the Reinvestment Option and thereby receive the entire Dividends (both Electable Portion and Remaining Portion) in cash.

There are no brokerage fees and other related transaction costs payable by Shareholders on the New Shares allotted (unless otherwise provided by any statute, law or regulation).

Gamuda shall, within eight (8) Market Days from the Expiry Date or such other period as may be prescribed by Bursa Securities, allot and issue the New Shares and despatch notices of allotment to the Participating Shareholders. The New Shares to be issued pursuant to the Dividend Reinvestment Plan will not be underwritten.

Concurrently, on the Allotment Date (which will be within one (1) month from the Books Closure Date and in any event, within three (3) months from the date of declaration of the Dividend or the date on which the approval is obtained in a general meeting of Gamuda, whichever is applicable), the Remaining Portion and the balance of the Electable Portion not reinvested will be paid in cash to the respective Shareholders in the usual manner through a Dividend Payment Account, where applicable.

Gamuda is required to release an announcement on the Market Day on which the New Shares will be listed and quoted on the Main Market of Bursa Securities.

The New Shares will, upon allotment and issuance, rank *pari passu* in all respects with the existing Gamuda Shares, save and except that the holders of the New Shares shall not be entitled to any dividends, rights, allotments and/or other forms of distributions, that may be declared, made or paid for which the entitlement date of the said distribution precedes the Allotment Date.

The notice of allotment will be despatched on the Allotment Date to the Participating Shareholders. The New Shares will be credited directly into the respective CDS accounts of such Participating Shareholders.

All Shareholders are eligible to participate in the Dividend Reinvestment Plan subject to the restrictions described in the Terms and Conditions of the Dividend Reinvestment Plan.

## 5. Extent of application of Dividend Reinvestment Plan to each Electable Portion

In relation to any Dividends declared, the Board may, at its absolute discretion, determine in respect of any Dividend, whether the Dividend Reinvestment Plan shall apply and if so, whether the Electable Portion is for the whole or a portion of the Dividend. If, in its absolute discretion, the Board has not determined that the Dividend Reinvestment Plan is to apply to a particular Dividend, such Dividend shall be paid in cash to the Shareholders in the usual manner.

## 6. New Share entitlement

### Maximum New Share entitlement

By electing to participate in the Dividend Reinvestment Plan in respect of any Notice of Election or e-NOE received by him/her, a Participating Shareholder elects to reinvest the whole or part of the Electable Portion, to which such Notice of Election or e-NOE relates, into New Shares.

In respect of any Electable Portion, the maximum number of New Shares to be allotted and issued to the Participating Shareholder electing to reinvest the whole or, if applicable, part of the Electable Portion into New Shares in respect of a Notice of Election or e-NOE shall be calculated in accordance with the following formula below:

$$N = \frac{S \times D}{V}$$

Where:

N is the maximum number of New Shares (*rounded down to the nearest whole number*) to be allotted and issued as fully paid up to the Participating Shareholder in respect of such Notice of Election or e-NOE.

S is the number of Gamuda Shares held by the Participating Shareholder as at the Books Closure Date to which a Notice of Election or e-NOE relates.

D is the Electable Portion or part thereof (after deduction of applicable income tax).

V is the Issue Price.

Any fractional entitlement of New Shares computed in accordance with the above formula will be paid in cash to the Participating Shareholder in the usual manner.

The shareholding percentage of a Shareholder in the Company will be diluted should he/she elect not to exercise his/her Reinvestment Option. However, the extent of the dilution will depend on the number of New Shares to be issued by Gamuda pursuant to the level of exercise of the Reinvestment Option by the other Shareholders as a whole.

Pursuant to the Dividend Reinvestment Plan, in the event that all Shareholders elect to reinvest their entire Electable Portion into New Shares in respect of the FYE 2026 First Interim Dividend, the total number of New Shares that will be issued will be approximately 71,436,452 Shares which represents approximately 1.20% of the total issued share capital of Gamuda (excluding treasury shares), if any as at the Books Closure Date for the FYE 2026 First Interim Dividend.

### **Balance of the Electable Portion**

In respect of any Electable Portion, the balance of the Electable Portion in respect of a Notice of Election or e-NOE which is not reinvested into New Shares and/or fractional entitlement of New Shares in relation to the Electable Portion under the Dividend Reinvestment Plan, whichever is applicable, will be paid to the Participating Shareholder in cash in the usual manner ("**Balance of the Electable Portion**") and shall be calculated in accordance with the following formula:

$$B = (S \times D) - (A \times V)$$

Where:

- B is the Balance of the Electable Portion in respect of such Notice of Election or e-NOE relates.
- S is the number of Gamuda Shares held by the Participating Shareholder as at the Books Closure Date to which a Notice of Election or e-NOE relates.
- D is the Electable Portion or part thereof (after deduction of applicable income tax).
- A is the number of new Gamuda Shares that the Participating Shareholder elects to subscribe for in respect of the Electable Portion to which such Notice of Election or e-NOE relates.
- V is the Issue Price.

The Balance of the Electable Portion will be paid to the Participating Shareholder in cash in the usual manner.

## **7. Terms of allotment**

The maximum number of New Shares to be issued under the Dividend Reinvestment Plan will depend on, amongst others:

- (a) the quantum of the FYE 2026 First Interim Dividend;
- (b) the Board's decision on the proportion/size of the Electable Portion;
- (c) the number of Shareholders who elect to exercise the Reinvestment Option and the extent of their election; and
- (d) the Issue Price.

Unless the Board otherwise determines, all New Shares will be allotted and issued as fully paid-up and shall upon allotment and issuance rank *pari passu* in all respects with the then existing Gamuda Shares, save and except that the holders of New Shares shall not be entitled to any dividends, rights, allotments and/or other forms of distribution that may be declared, made or paid for which the entitlement date of the said distribution precedes the Allotment Date.

It should be noted that since fractional New Shares will not be allotted, any Participating Shareholder whose Electable Portion is insufficient for the issuance of one (1) New Share will be paid in cash in the usual manner.

As the New Shares are prescribed securities, the New Shares will be credited directly into the respective CDS accounts of Participating Shareholders and no physical share certificates will be issued.

**8. Odd lots**

Shareholders of Gamuda who exercise the Reinvestment Option may be allotted New Shares in odd lots depending on his/her entitlement pursuant to the Dividend Reinvestment Plan. Shareholders who receive odd lots of New Shares and wish to trade such odd lots may do so via the odd lots market of Bursa Securities which allows the trading of odd lots with a minimum of one (1) Gamuda Share.

**9. Notification to Participating Shareholders**

Gamuda shall within eight (8) Market Days from the Expiry Date or such other period as may be prescribed by Bursa Securities, allot and issue the New Shares and despatch the notices of allotment to the Participating Shareholders. **Concurrently, on the Allotment Date, the Remaining Portion and the balance of the Electable Portion not reinvested will be paid in cash to the Participating Shareholders in the usual manner through a Dividend Payment Account, where applicable.**

An announcement will also be made in respect of the Market Day on which the New Shares will be listed and quoted on the Main Market of Bursa Securities.

**10. Cost to the Participating Shareholders**

The New Shares will be issued free from any brokerage or fees to the Participating Shareholders unless otherwise provided by any statute, law or regulation.

**However, a stamp duty of RM10.00 will be levied on each DRF or e-DRF submitted by the Participating Shareholders. In addition, a handling fee of RM7.56 (inclusive of 8% service tax) for individual registered shareholder and RM4.32 (inclusive of 8% service tax) for corporation or institutional registered shareholder will be charged by the Share Registrar for each e-DRF submitted by the Participating Shareholders via The Portal.**

**11. Cancellation of application of the Dividend Reinvestment Plan**

Notwithstanding any other provisions, the Terms and Conditions of the Dividend Reinvestment Plan set out herein or otherwise and irrespective of whether an election to exercise the Reinvestment Option has been made, if at any time after the Board has determined that the Dividend Reinvestment Plan shall apply to any Dividend and before the allotment and issuance of New Shares in respect of the Electable Portion, the Board shall consider that by reason of any event or circumstance (whether arising before or after such determination) or by reason of any matter whatsoever it is no longer expedient or appropriate to implement the Dividend Reinvestment Plan in respect of the Electable Portion, the Board may, at its absolute discretion and as it deems fit and in the interest of the Company and without assigning any reason thereof, cancel the application of the Dividend Reinvestment Plan to the Electable Portion subject to any requirement or provision imposed by any statute, law or regulation in force in Malaysia, as the case may be. In such event, the Electable Portion shall be paid in cash to the Shareholders in the usual manner through a Dividend Payment Account.

## **12. Modification, suspension and termination of the Dividend Reinvestment Plan**

Subject to any requirement or provision imposed in any statute, law or regulation in force in Malaysia, as the case may be, the Board shall have the power to modify, suspend (in whole or in part) or terminate the Dividend Reinvestment Plan at any time it deems fit and expedient, and without assigning any reason thereof, by giving the Shareholders notice in such manner as the Board deems fit, notwithstanding any other provisions or Terms and Conditions stated herein or otherwise.

In the case of a suspension, the Dividend Reinvestment Plan will be suspended (in whole or in part, as the case may be) until such time as the Board may resolve at its absolute discretion, to recommence or terminate the Dividend Reinvestment Plan in such manner as the Board deems fit.

## **13. General administration of the Dividend Reinvestment Plan**

The Board may implement the Dividend Reinvestment Plan in the manner as the Board may deem fit at its absolute discretion. The Board has the power to:

- (a) determine procedures, rules and regulations for the administration of the Dividend Reinvestment Plan which are consistent with these Terms and Conditions, as may be amended or modified from time to time;
- (b) settle in such manner as it thinks fit, any difficulty, anomaly or dispute (including relating to the interpretation of any provision, regulation or procedure or as to any rights under the Dividend Reinvestment Plan) which may arise in connection with the Dividend Reinvestment Plan, whether generally or in relation to any Participating Shareholder or any Gamuda Share and the determination of the Board will be conclusive and binding on all Shareholders and other persons to whom the determination relates without giving any reasons for its determination;
- (c) delegate to any one (1) or more persons, for such period and on such conditions as the Board may determine, the exercise of any of its powers or discretion under or in respect of the Dividend Reinvestment Plan and references to a decision, opinion or determination of the Board include a reference to the decision, opinion or determination of the person or persons to whom the Board has delegated its authority to, for the purposes of administering the Dividend Reinvestment Plan; and
- (d) waive strict compliance by the Company or any Shareholder with any of these Terms and Conditions.

Any matter to be decided, determined, fixed, resolved or waived by the Board in respect of the Dividend Reinvestment Plan, shall be decided, determined, fixed and resolved or waived by the Board at its absolute discretion as it deems fit without assigning any reason thereof.

## **14. Implications of the Rules and other shareholding limits**

### **(a) Implications of the Rules**

Shareholders should take note of paragraph 4.01 of the Rules and sections 217 and 218 of the CMSA. In particular, a shareholder should be aware that he/she may be under an obligation to extend a take-over offer for the remaining securities in Gamuda not already owned by him/her and persons acting in concert with him/her (if any) (collectively, the "**Affected Parties**"), if by participating in the Dividend Reinvestment Plan in relation to the reinvestment of the Electable Portion:

- (i) the Affected Parties have obtained Control via the acquisition or holding of, or entitlement to exercise or control the exercise of more than thirty-three percent (33%) of the voting shares or voting rights in the Company, or such other amount as may be prescribed in the Rules; or
- (ii) the Affected Parties acquire more than two percent (2%) of the voting shares or voting rights of the Company in any six (6) months period and the Affected Parties hold more than thirty-three percent (33%) but not more than fifty percent (50%) of the voting shares or voting rights of the Company during the said six (6) months period, or such other shareholding percentage as may be prescribed in the Rules.

In the event an obligation to undertake a mandatory offer is expected to arise resulting from a shareholder's participation in the Dividend Reinvestment Plan, the Affected Parties may make an application to the SC for an exemption from the obligation to undertake a mandatory offer pursuant to the Rules prior to participating in the Dividend Reinvestment Plan.

The statements herein do not purport to be a comprehensive or exhaustive description of all the relevant provisions of, or all implications that may arise under, the Rules or other relevant legislation or regulations. Shareholders who are in doubt as to whether they would incur any obligation to make a take-over offer under the Rules as a result of any subscription of New Shares through their participation in the Dividend Reinvestment Plan are advised to consult their professional advisers at the earliest opportunity in relation to:

- (i) any obligation to make a take-over offer under the Rules as a result of any subscription of New Shares through his/her participation in the Dividend Reinvestment Plan; and

**(b) Other shareholding limits**

Shareholders are reminded to ensure that their participation in the Dividend Reinvestment Plan will not result in a breach of any restrictions on their respective holding of Gamuda Shares which may be imposed by their contractual obligations, or by any statute, law or regulation in force in Malaysia or any other relevant jurisdiction, or by any relevant authorities (unless the requisite approvals under the relevant statute, law or regulation or from the relevant authorities are first obtained or the relevant contractual obligation is otherwise waived in accordance with the terms and conditions of the relevant contracts), or as prescribed in the Constitution of the Company.

Should the Board be made aware or be informed in writing of any expected breach of such shareholding limits as a result of the exercise of the Reinvestment Option by such Shareholder, the Board shall be entitled but not obliged to (save and except where required by law) reduce or limit the number of new Gamuda Shares to be issued to any such Shareholder and/or pay to such Shareholder the Electable Portion or any part thereof in cash.

**15. Disclaimer**

Notwithstanding anything to the contrary, the Board and the Company including any of its subsidiaries and its respective directors, officers, employees, advisers, agents, affiliates and representatives and the employees of the advisers, agents, affiliates and representatives, shall not, under any circumstance, be held liable for any damages, cost, loss and expense whatsoever and howsoever arising/incurred/suffered by any person including any Shareholder arising out of or in connection with the Dividend Reinvestment Plan including (but not limited to):

- (a) any obligation of any Shareholder to undertake a mandatory offer as a result of the Dividend Reinvestment Plan;
- (b) a breach of any restrictions on any Shareholder's holding of Gamuda Shares which may be imposed by the Shareholders' contractual obligations, or by statute, law or regulation in force in Malaysia or any other relevant jurisdiction, or by any relevant authorities; and
- (c) any losses suffered by any Shareholders due to changes in share prices of the Gamuda Shares or the quantum of future Dividends after the implementation of the Dividend Reinvestment Plan.
